This statement details our duties to our employees and the public, in accordance with Section 2 (3) of the Health and Safety at Work etc. Act 1974. We aim to achieve a work environment that is free of accidents and ill health, and continually seek to make improvements to our work practices.

In order to fulfil our statutory duties, we:

- Comply with the relevant legal requirements and those related to OH&S hazards.
- Identify workplace hazards, assess the risks and implement preventative and protective measures.
- Provide and maintain safe work equipment.
- Establish and enforce safe work methods.
- Recruit personnel who have the skills, abilities and competence required for their role.
- Ensure that the tasks given to staff are within their ability to perform.
- Provide refresher training to ensure that staff are technically competent.
- Inform staff of their OH&S responsibilities through the effective communication of relevant information.
- Identify opportunities for the improvement of OH&S performance, to prevent injury and ill health.
- Make available sufficient funds to meet the above objectives.
- Ensure that OH&S performance is not compromised in favour of other objectives.

All staff are encouraged to contribute actively towards achieving a work environment that guards against accidents, incidents and ill health. Our health and safety policy is reviewed periodically to ensure that it remains relevant to the organisation.

This statement should be read in conjunction with the responsibilities, arrangements, procedures and guidance that together form the health and safety policy for Accent.
